Estos tejidos pueden tratarse higiénicamente y así, encontrarse libres de microbios, bacterias, hongos y contarán con la capacidad del Agion® Antimicrobial para inactivar virus incluido el SARS-CoV-2 (Covid-19).

Pytoncontract.com

These fabrics can be treated hygienically, hence they would be free of microbes, bacteria, fungi, and have the capacity to inactivate viruses like SARS-CoV-2 (Covid-19) thanks to Agion® Antimicrobial.
